Core Group Supply Chain Internship 2024: Join Our Dynamic Team!

Description

Discover exciting opportunities for aspiring Supply Chain professionals in South Africa with Core Group's Supply Chain Internship program for 2024.

As a dynamic and forward-thinking company, Core Group is seeking passionate individuals to join our team and embark on a journey of learning, growth, and professional development in the field of supply chain management and logistics.

Responsibilities:

As a Supply Chain Intern at Core Group, you will play a pivotal role in supporting our day-to-day operations and contributing to real projects and initiatives. Your responsibilities will include:

- **Assisting in Supply Chain Operations:** Supporting inventory management, demand forecasting, and order fulfillment processes.
- **Conducting Data Analysis:** Analyzing supply chain data to identify trends, inefficiencies, and areas for improvement, and providing actionable insights.
- **Coordinating Logistics Activities:** Collaborating with logistics teams to ensure timely and cost-effective transportation, distribution, and warehousing activities.
- **Driving Process Optimization:** Participating in initiatives to streamline supply chain processes, reduce costs, and enhance overall efficiency.
- **Managing Supplier Relationships:** Assisting in managing relationships with suppliers and vendors, monitoring performance, and identifying collaboration opportunities.
- **Facilitating Cross-functional Collaboration:** Working closely with other departments to ensure alignment and coordination across the supply chain.
- **Research and Development:** Staying updated on industry trends and contributing insights to support continuous improvement efforts.

Qualifications:

To excel in this role, you should meet the following qualifications:

- Currently enrolled in a Bachelor's or Master's degree program in Supply Chain Management, Logistics, Business Administration, or related field.
- Strong analytical skills with the ability to interpret data and draw actionable conclusions.
- Excellent communication and interpersonal skills.
- Proficiency in Microsoft Excel and other relevant software applications.
- Detail-oriented with a proactive and collaborative approach to work.
- Ability to prioritize tasks, manage time effectively, and meet deadlines.
- Previous experience or coursework in supply chain management or logistics is a plus.
